BUY THIS - NOT THAT

Mix & Match Fashion
Girls’ Uniform Styles from Old Navy

Where to shop
There are multiple places that parents can shop for uniforms. Educational Outfitters is a local uniform provider at 2273 Gunbarrel Rd, off exit 5 near Hamilton Place Mall. During late summer and early fall JCPenney, Sears, Land’s End, Gap, Old Navy, Costco, and Target are just a few additional resources with sales on uniform items. Amazon is a good resource year round. Please note that items are not automatically within dress code if they are purchased at a uniform retailer. Shirts must be monogrammed with the OAKS name. We have a seamstress that will monogram each shirt for $4. There are many variations to the items that have been voted. Use this pamphlet as your shopping guide.

Read pages 21-22 in the OAKS Handbook. Copies are available by request and at oaksonline.net

The uniform policy at OAKS is not a commentary on modesty or the latest fashions. It is a simplified language used to describe the image we want our students to project. Studies have proven that uniforms are equalizers in the classroom and help focus students on work habits and academic growth. All schools have their own standards. By asking for certain styles and colors OAKS is not arguing against other items. If you choose to attend OAKS, you are choosing this code of dress, just like you agree to a code of conduct. If you have questions or need more clarification please reach out by phone (423-238-4449) or by email ooltewahsda@epbfi.com.
