Change of clothes for emergencies placed in a large zip lock bag:
shirt, pants, socks, underwear, and shoes (regular clothes are fine.
They do not need to be uniform)

This year we will be spending some extra forest time outside on
Fridays. I am asking that you provide:

- 1) rain boots
- 2) rain pants (optional but will keep uniform clean so would
recommend)

If you have any questions or need help with acquiring the rain pants
please reach out to me. If you prefer to just send pants you don't
mind getting dirty for them to change into on Friday that would be
fine too.
