LENGTH ABOVE KNEE

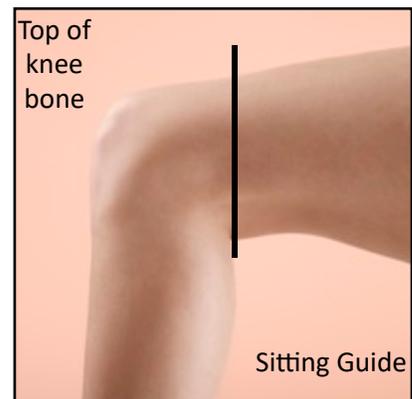

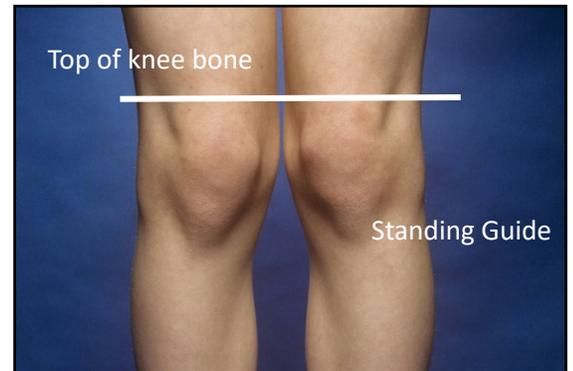

What is "Above the Knee?"

Skirt, skort, and dress length should show the knees at the bottom of the hem. Think of the length as "at the knee". This assures ease of movement and modesty in play, and in sitting on the floors/ alternate seating in our classrooms. This length of skirt, skort, and dress is the best fit for students in grades K-8 at OAKS. See pictures for help.

The uniform policy at OAKS is not a commentary on modesty or the latest fashions. It is a simplified language used to describe the image we want our students to project. Studies have proven that uniforms are equalizers in the classroom, and help focus students on work habits and academic growth. All schools have their own standards. By asking for certain styles and colors, OAKS is not arguing against other items.

If you choose to attend OAKS, you are choosing this code of dress, just like you agree to a code of conduct. If you have questions or need more clarification, please reach out by phone (423-238-4449) or by email ooltewahsda@epbf.com.
